UK market leading equipment for professional therapists

ABOUT US

The Affinity brand is proudly owned by Certikin International Ltd, who in 2013 celebrated 50 years in manufacturing. Our brand is sold via a network of UK and International distributors who are carefully selected for their expertise and professionalism. We fully recognise and appreciate the part that they, and you, play in making the Affinity brand the success it is today.

As one of the largest suppliers of therapy equipment in the UK, we pride ourselves on the development of our range of couches and accessories which, over the years, have been designed specifically for all areas of therapy and treatments. With a range starting with entry level couches that, although still professional grade / specification, are favoured by students and those on a budget, right through to fully electric static couches that can be found in hotel spas, hospices and sports / medical centres. The Affinity brand is well established as a market leading brand and regularly requested by UK therapists and practitioners.

No matter what your requirements, our Affinity range will exceed all your expectations and, a feature packed Affinity couch will make you want to treat all day and ensure your clients come back for more. With quality and reliability at the forefront of our thinking, you can rest assured that every product is crafted to the highest of British standards, is covered by CE approval and carries a 2 year warranty.

Quality without compromise ...

All Affinity couches have evolved from a real understanding of what you, as a therapist, want and more importantly, what you expect from a leading manufacturer. We are immensely proud of our reputation for quality, reliability, innovation and unquestionable value.

Years of development and research into materials, design and technology have created a superb range of Affinity therapy couches, that are suitable for all types of treatments including holistic therapy, beauty and spa treatments, as well as sports massage and medical.

With comfort and well-being of client/patient our prime consideration, our ergonomic designs are engineered to ensure your own comfort too, with many innovative ideas for close work and posture support. We know that a comfortable therapist will always give a better treatment.

When you buy Affinity you buy with confidence.
