

**NEW 2016 !**

Cover and uncover  
your pool without effort!

**MAX**  
11x5m

For all WALU POOL covers on pools up to 11x5 m.  
Can be adapted to most bar supported safety covers.

### New design

The new modern and aesthetic design adds strenght and rigidity thanks to its large wheels

### Winding

Can be accommodated on the right or left side with the same winding square.

### Reverse function

At the end of winding the cover, the reverse function allows easy removal of the WALU POWER.

### New: with remote control!

The remote uses radio technology to remotely control the rotation of the motor.

### Wall bracket included!

## Technical specifications:

#### Dimensions:

Dimensions 710 x 125 x 140 mm  
Weight 4,45 kg

#### Composition:

- High performance motor
- Wired remote control
- Integrated battery. When charged sufficient for about 10 windings (for a pool 10.00 x 5.00 m)
