

For the pool & spa professional

## Vinyl Restorer & Protector

Apply monthly or when required  
450ml trigger spray bottles packed 6 to a carton

### What is it?

Lo-Chlor Vinyl Restorer & Protector is a unique product which has been specially formulated to both restore and protect Spa & Hot Tub Vinyl Covers.

### Who needs it?

- Any Spa & Hot Tub owner who wants to prolong the life of their vinyl cover so it remains in excellent condition.
- Every serviceman should carry it in their vehicle. By doing so they will, in many situations, be able to valet the cover for their clients whilst making regular service call outs, in doing so gain the gratitude and loyalty of their client.

### What does it do?

- **Water Repellent** – Hinders the penetration of water by giving your cover its own 'raincoat'.
- **Built in SPF Protection** – Protects against fading from UV rays!
- **Anti-Fungal** – Protects against the build up of algae and mildew which can destroy the vinyl making it look unsightly!
- **Remains effective for up to 30 days** – giving you peace of mind however the more you use it the better it protects.

### What advantages does it have over other similar products?

- Easy and economical to use.
- Proven technology developed for the marine industry, giving visible results after each application.
- Includes an algacide to prevent unsightly growth and also kills existing growth.
- Aids against Chlorine/Bromine embrittlement to the fabric.

### Professional tips:

For optimum performance of this unique product:

- Only apply in dry conditions.
- Use sparingly as a little goes a long way.
- Leave to dry for 2-3 minutes.
- Gently remove any excess in single strokes with a microfibre cloth.
- For older covers spray on and wipe the area with a soft cloth, then re-apply and let dry.
