ABOUT US

The Affinity brand is proudly owned by Certikin International Ltd, who in 2013 celebrated 50 years in manufacturing, and distributed through a network of UK and International distributors who are carefully selected for their expertise and professionalism.

As a leading UK brand, we pride ourselves on the research and development into materials, design and technology that has created the superb range of Affinity therapy couches that you see today. With couches suitable for a myriad of treatments and all budgets, we are sure there will be an Affinity couch for you.

With quality and reliability at the forefront of our thinking you can rest assured that every product is crafted to the highest of standards and carries a 2 year warranty.

No matter what your requirements Affinity will exceed all your expectations.

WHY AFFINITY

Quality without compromise ...

All Affinity couches continue to evolve from our understanding of what you as a therapist want and, more importantly, what you expect from a leading manufacturer. We are immensely proud of our reputation for quality, reliability, innovation and unquestionable value.

With comfort and well-being of client/patient our prime consideration, our ergonomic designs are engineered to ensure your own comfort too, with many innovative ideas for close work and posture support. We know that a comfortable therapist will always give a better treatment.

When you buy Affinity you buy with confidence.

Certikin
FLUIDRA

AFFINITY SPA RANGE

Trust us to exceed your expectations.

Our Affinity couches will make therapists want to treat all day and ensure your clients come back for more. A bold statement but Affinity couches have evolved from our deep understanding of both therapists' and clients' needs.

The exceptional quality and comfort levels will take the treatment experience to new heights.

Portable Couches – Aluminium

Affinity Marlin

Strong • Light • Sleek

At just under 15kg the 25" Affinity Marlin is a truly portable couch. With its rapid set up and easy, one-touch height control, the Affinity Marlin has been designed to be used and taken to the next appointment with the minimum of strain and difficulty for the therapist.

Featuring a sports grade Therafoam padding, rounded corners and reiki style end panels, this slimline couch is a firm favourite with our sports and medical and beauty customers.

What our customers say

“ I have used the Marlin for over 6 months now for my Osteopathy home visiting service and am very pleased with the quality, ease of use and set up and of course value for money. I would definitely recommend this couch to others. ”

Affinity Versalite

Lightweight • Robust • Comfort

Affinity Versalite sets the standard in the lightweight category and our 25" model is currently the lightest wooden mattress, aluminium framed couch on the market. Although incredibly light, none of the regular Affinity features have been compromised, making Affinity Versalite the perfect portable partner.

What our customers say

“ We teach at a number of venues and have to regularly transport 10 couches at a time. This Affinity couch's low weight has massively improved both our set up time and the strain on our backs. Although light, it is still very much an Affinity and the quality is clear to see. ”
