

ALMOST HEAVEN
SAUNAS®

Bring the Finnish tradition to your next project

Almost Heaven Saunas have been building easy-to-assemble saunas in the Finnish tradition for over 40 years and their range of barrel saunas are now available in the UK, exclusively from Certikin. A great addition to any home, the circular design of a barrel sauna eliminates unused airspace allowing them to heat up quickly and evenly, making them hugely efficient. The solid wood construction is built to last and allows the Finnish sauna experience to be brought to any location.

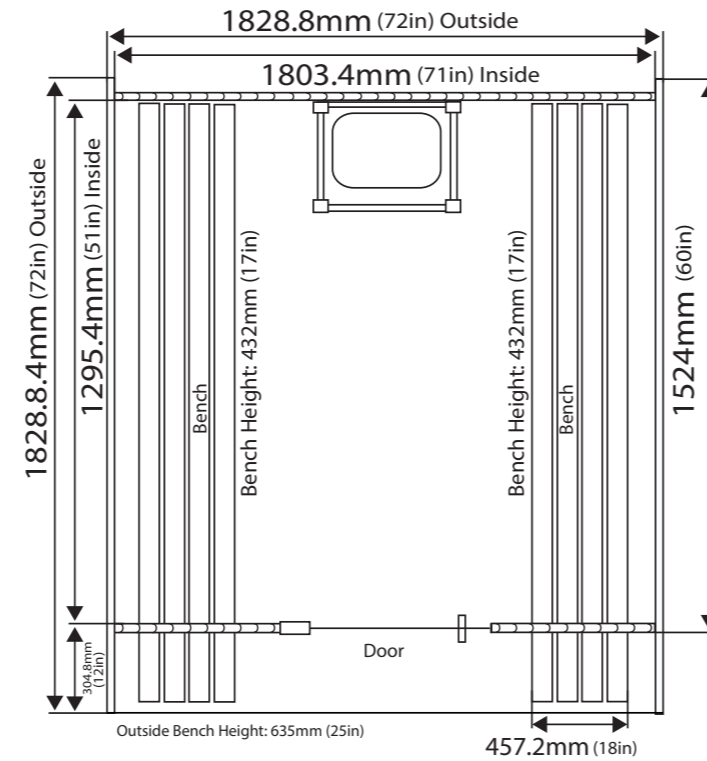

With these barrel saunas now in stock, we are offering special nett pricing on all models, plus each sauna comes with the following at no extra cost for any new orders

- Harvia 'The Wall' heater
- Sauna stones
- Ladle, bucket & thermometer/hydrometer
- Floor kit
- Free carriage to a mainland UK address
