

ULTRA POOL CLARIFIER+

Ultra Pool Clarifier+ is fast acting natural clarifier specifically designed to remove body fats, oils, suntan lotion along with dissolved metals and dead algae spores. This product is both **NON-TOXIC** and **BIODEGRADABLE**.

ADVANTAGES OVER OTHER PRODUCTS:

- ✓ Natural formulation.
- ✓ Enhances sanitiser activity by removing body fats and oils.
- ✓ Enhances the filtration cycle between backwashes.
- ✓ Compatible with all known pool treatments.
- ✓ Safe to use in natural swimming pools.

GENERAL INSTRUCTIONS

1. Ensure that the pool water is correctly balanced.
2. Backwash and clean the filter prior to use and turn off the pump.
3. Calculate the required amount from the table below.
4. Pre-dilute the product into a clean plastic container.
5. Distribute evenly around the pool.
6. Turn on the pump and filter for a minimum of 6 hours.
7. Use on a weekly basis, for extremely cloudy pools a double dose may be required.

DOSE RATES

POOL VOLUME		DOSE
GALLONS	LITRES	
6,600	30,000	120ml
13,200	60,000	180ml
19,800	90,000	360ml

PLEASE NOTE: When used in commercial pools, the dosage should be twice a week. Always backwash the filter before application.
