

Swimflo Plus Pump

FEATURES

- High hydraulic efficiency
- Noryl impeller
- Motor IP 55 – Class F – continuous rating
- Stainless steel shaft
- 2 year warranty

Swimflo Plus self-priming centrifugal pumps are designed for swimming pool filtration and are available in sizes from 0.5HP up to 3HP with options of both single and three phase. Swimflo Plus pumps have a one-piece body made from a durable resistant composite material and are suitable for both chlorinated and salt chlorinated swimming pools. Their compact, innovative design includes a patented strainer basket with a fast opening translucent lid.
