Luxor

Influenced by contemporary trends reflective of today's new urban spaces, LUXOR is sure to satisfy the expectations of those looking for something different. Nothing has been left to chance. Textures, colours, angles and even proportions here redefine current trends and confirm its excellence. With the reintroduction of wood patterns through new printing technology, combined with the wall's graphic simplicity, LUXOR achieves an unparalleled level of quality. The LUXOR has a pool wall depth of 52"

Luxor Features

- 8-inch shadow grey steel top ledge
- Heaviest and strongest top ledge on the market
- Space saver system for oval pools
- Interlocking stabiliser system
- Pepper grey high impact resin ledge cover
- Shadow grey steel uprights
- Easy to assemble
- Internal wall protection against humidity and chemicals
- All steel components protected with Tru-Kote bonding system
- Galvanised steel stabilisers and bottom rails to protect against corrosion
- Strong, steel walls coated with Duratex 2000 anti-corrosion paint

Your local Garden Leisure Pool supplier :

Your above ground pool has been designed to provide you with years of safe, family fun. This entails that water safety must always be taken into account. When used incorrectly, your above ground swimming pool can be dangerous; above ground pools are shallow, and this makes diving and jumping unsafe. To ensure your above ground pool is used safely you must observe the safety precautions that are provided to you when you purchase an above ground pool and conform to all local regulations. © Copyright 2019
